**NETWORK WITH HEAVY
CONSTRUCTION DECISION-MAKERS**

KCA's ConEd Foundation tournament draws a soldout crowd of players and sponsors each year. The event includes golf, a reception and dinner with prizes at the highly-ranked Colbert Hills course.

**SUPPORT THE FUTURE
OF HEAVY CONSTRUCTION**

All proceeds from the tournament support scholarships and internships for students interested in heavy construction careers, including project managers, heavy equipment operators, surveyors, engineers and more. To date, the Foundation has provided \$850,000+ toward scholarships, internships and construction education programs at Kansas universities, community colleges and technical colleges.

The KCA Construction Education Foundation is a 501(c)3 not-for-profit organization. Sponsorships less value of goods/services received may be deductible as a charitable contribution. Consult your tax adviser for details.
