“The Construction Industry of Kansas Health Trust is a wonderful health insurance option for employers who are members of the KCA or the AGC of Kansas. What is unique about this health insurance plan is that it pools similar construction oriented companies into an insured group allowing for more straight lined, less volatile insurance premiums. Groups in the Construction Industry of Kansas Health Trust have averaged a 0% rate increase in two out of the last three years. In today’s uncertain health insurance world, it is imperative as employers we do all we can for our employees, and the Construction Industry of Kansas helps make this possible.”
